Z

Zecha, B. C. 141

A

adenoviruses
antibody titers against 220
characterization and pathogenicity 549
classification 585
in etiology of inclusion body hepatitis 26
immunologic relations 605
isolating 315
maternal antibody vs 97
serology 408
aeruginocine patterns in typing *Pseudomonas aeruginosa* 136
airsacculitis, temperature and humidity effects on 195
Aix sponsa, Erysipelothrix insidiosa in 326
antibodies, detection technique 724
aortic rupture from copper deficiency in turkey 113
Ardea herodias, Eustrongylides ignotus in 448
Arizona hinshawii in wild sandhill cranes 704
author instructions 139, 721
avian medicine, history in U.S.
II 422
III 430
IV 459
awards
research paper 457
special service 455

B

Balearica regulorum gibbericeps, Erysipelothrix insidiosa in 326

C

carbenicillin vs. *Pseudomonas aeruginosa* 136
Cassia obtusifolia in feed, effects on egg production 90
chloramphenicol vs *Pseudomonas aeruginosa* 136
chlortetracycline vs fowl cholera in turkeys 160
cholera (*see* fowl cholera)
Clostridium perfringens, induction of necrotic enteritis by 230, 241, 256
coffee bean seed in feed, effects on egg production 90
colibacillosis, epizootiology in turkey 514
copper deficiency in aortic rupture of turkey 113
Corynebacterium parvum vs *Staphylococcus aureus* 319
coryza, *Haemophilus gallinarum* vs 364
coturnix, erysipelas in 708
crane, crowned, East African, *Erysipelothrix insidiosa* in 326
crane, sandhill, *Salmonella enteritidis* and *Arizona hinshawii* in 704
Cymopterus longipes, photosensitizing in chickens and poults 566
Cymopterus watsonii, photosensitizing in chickens and poults 566
cystic pancreas in a broiler chick 710

D

Dillon Beach Project 141
dipping turkey hatching eggs 596
duck, wood, *Erysipelothrix insidiosa* in 326
ducklings, gizzard smooth muscle alterations in 531

E

East African crowned crane, *Erysipelothrix insidiosa* in 326
egg injections vs. *Mycoplasma meleagridis* 57
egg production, effects on from *Cassia obtusifolia* 90
egg-bit technique in research 623
Eimeria tenella, infectious bursal disease vs 637
encephalomyelitis, purifying the virus 300
enteritis, ulcerative, in *Turdus migratorius* 328
errata 723
erysipelas in coturnix 708
Erysipelothrix insidiosa
in *Aix sponsa* 326
in *Balearica regulorum gibbericeps* 326
Eustrongylides ignotus in *Ardea herodias* 448

F

feather follicles, Marek's disease maturation in 501
feathers, abnormal, from reticuloendotheliosis virus 77
fowl cholera
bacterins vs 50, 382
chlortetracycline vs, in turkeys 160
cross-protection in turkeys 50
Pasteurella gallinarum in 323
Pasteurella multocida vs. 543
Rofenaid vs, in turkeys 160
vaccination vs 178
fowl typhoid
history in U.S. 422
Salmonella gallinarum in 716

G

gentamicin
  vs *Mycoplasma meleagridis* 57
  vs *Pseudomonas aeruginosa* 136
great blue heron, *Eustrongylides ignotus* in 443
Grus canadensis tabida, *Salmonella enteritidis* and *Arizona hinshawii* in 704
guidelines for authors 139, 721
gull (*see* Larus)

H

Haemophilus gallinarum
  hemagglutinin of 39
  serology in chickens 1
  vs coryza 364
hemorrhagic enteritis
  in turkey poults 120
  vaccination vs, in turkey 557
heron, great blue, *Eustrongylides ignotus* in 448
herpesvirus
  vaccine vs Marek's disease tumor cells 436
  particles in tumors 402
  vaccination vs 394
history of avian medicine in U.S.
  II 422
  III 430
  IV 459
hysteria, metoserpate hydrochloride vs 720

I

immunoglobulin-A, turkey, purification and identification 675
inclusion body hepatitis, adenovirus in etiology of 26
infectious bronchitis, temperature and humidity effects on 195
infectious bursal disease vs *Eimeria tenella* 637
infectious laryngotracheitis
  assay system for 133
  virus in chicken leukocytes 492
  pathogenesis 185
influenza
  epidemiology study 167
  virulence index tests for 359
instructions to authors 139, 721

K

kanamycin vs *Pseudomonas aeruginosa* 136

L

Larus californicus, salmonella in 452
Larus delawarensis, salmonella in 452
leukosis, antisera to antigens of 290
lymphoid leukosis
  in hens, eggs, embryos, and chicks 331
  mibolerone vs 264, 280

M

Marek's disease
  cell line from tumor of 69
  in chickens with tumors 402
  herpesvirus of turkeys vs 436
  maturation in feather follicles 501
  oncogenic potential 346
  revaccination vs 440
methicillin vs *Pseudomonas aeruginosa* 136
metoserpate hydrochloride vs hysteria in pullets 720
mibolerone
  immune responses to 264, 280
  vs lymphoid leukosis 264, 280
mycoplasma, synergism in turkey sinusitis 670
Mycoplasma gallisepticum, identification test 370
Mycoplasma meleagridis
  antibiotic egg injection vs 57
  morphology and growth cycle 415
Mycoplasma synoviae
  identification test 370
  temperature and humidity effects 195
myocarditis in chickens 123

N

necrotic enteritis from *Clostridium perfringens* 230, 241, 256
neomycin vs *Pseudomonas aeruginosa* 136
Newcastle disease
  aerosol vaccination vs 16
  antibody response to strain combinations 576
  serology 630
  viscerotropic velogenic, in 6 bird species 642, 655

O

Olson tumor, histology of growth and regression 508

P

Pacheco's parrot disease in psittacine birds 209
pancreas, cystic, in broiler chick 710
parasites of poultry, milestones in research 459

Pasteurella anatipestifer in turkeys 712
Pasteurella gallinarum in fowl cholera 323
Pasteurella multocida
bacterins vs fowl cholera 50, 382
vs fowl cholera 543
vs *Staphylococcus aureus* 319
pen, inexpensive plan, for turkeys 310
peritonitis, ruptured-yolk, in *Sterna maxima* 445
photosensitizing effects of *Cymopterus watsonii* and *C. longipes* 566
Pseudomonas aeruginosa, typing and antibiotic sensitivity of 136
psittacine birds, Pacheco's parrot disease in 209
pullorum disease, history in U.S. 422

R

research paper award 457
reticuloendotheliosis virus
complement-fixation test for 612
inducing abnormal feathers 77
rhinotracheitis, histopathology in turkey poults 481
robin, ulcerative enteritis in 328
Rofenaid vs fowl cholera in turkeys 160
royal tern, ruptured-yolk peritonitis in 445
ruptured-yolk peritonitis in *Sterna maxima* 445

S

salmonella
epidemiological study in turkeys 141
in *Larus californicus* and *L. delawarensis* 452
Salmonella enteritidis in wild sandhill cranes 704
Salmonella gallinarum in fowl typhoid 716
Salmonella hessarek in *Sturnus vulgaris* 117
salmonellosis, history in U.S. 430
Sarcocystis, pathology, prevalence, and life cycle 697
seagull (*see* Larus)
selenium-vitamin-E deficiency and alterations in duckling gizzard 531
special service award 455
Staphylococcus aureus
Corynebacterium parvus vs 319
Pasteurella multocida vs 319
starling, *Salmonella hessarek* in 117
Sterna maxima, ruptured-yolk peritonitis in 445
streptomycin vs *Pseudomonas aeruginosa* 136
Sturnus vulgaris, *Salmonella hessarek* in 117
synovitis, staphylococcal (*see* Staphylococcus aureus)

T

tern, royal, ruptured-yolk peritonitis in 445
tetracycline vs *Pseudomonas aeruginosa* 136
tibial dyschondroplasia in chickens 9
transplantable lymphoid tumor, growth and regression 508
tumor
of Marek's disease, cell line from 69
transplantable lymphoid, growth and regression 508
tumors in chickens with Marek's disease 402
Turdus migratorius, ulcerative enteritis in 328
turkey
adenoviruses characterized 549
epizootiology of colibacillosis in 514
hemorrhagic enteritis in poults 120
immunoglobulin-A, purification and identification 675
Pasteurella anatipestifer in 712
rhinotracheitis in poults 481
salmonella epidemiology in 141
vaccination of vs hemorrhagic enteritis 557
turkey herpesvirus (*see* herpesvirus)
turkey pen, inexpensive 310
turkey sinusitis, mycoplasma synergism in 670
tylosin vs *Mycoplasma meleagridis* 57
typhoid (*see* fowl typhoid)

U

ulcerative enteritis in *Turdus migratorius* 328

V

vitamin-E deficiency and gizzard alterations in ducklings 531

W

wood duck, *Erysipelothrix insidiosa* in 326
